10. **Representatives to Various Bodies**
Southampton Airport (SIA) – the Chairman reported. The parish was fortunate to have Dr Keith Smith to represent Otterbourne. Following the meeting of 21 September, he had produced a comprehensive report on the CAP1616 Airspace Change Stage 2 consultation being undertaken by SIA as part of a national airspace modernisation process. The report

raised significant concerns and formed the basis of a letter of objection to the Civil Aviation Authority (CAA) requesting that it refuses permission for SIA to move forward to Stage 3 until the lack of transparency, engagement with affected local communities and compliance with CAA requirements had been addressed and that there was facility for the meaningful scrutiny of its plans. The letter and report had been sent to the Manager Airspace Regulator and Principal Airspace Regulator (Engagement and Consultations at the CAA); Steve Brine MP; David Ingram at WCC and County and District Cllr Jan Warwick. Cllr Warwick offered to follow-up with WCC regarding their feedback from the meeting. A follow-up letter to the CAA would be sent asking about the next step in the process.

The Parish Council will write in support. Information available and for electors to comment by 5 December 2022 <https://www.bcereviews.org.uk/>

- i) to report on WCC Reg 18 Consultation for Land east of Main Road (SHELAA site OT03). Cllr Smith reported. The Parish Council meeting 17 May 2022 supported this site for the 55 dwellings required. The site had been put forward by WCC for its Reg 18 Consultation and the supporting text detailed the part-site development, limit to the settlement boundary and transfer of the remaining land (including public footpath) under an s106 agreement for public open space. An online meeting 3 November with the site agents had confirmed earlier discussions. Various options could be possible for the developable part of the site, proposed for smaller sized homes suitable for young families and downsizers. The agents advised they would be contesting the commencement date of 2030 with WCC. Information would be made available on the parish notice boards, parish website and flyers.
