

Owing to current COVID-19 restrictions, the Parish Council is unable to host and organise the usual volunteer group activity for this worthwhile campaign. However, if you wish to get involved, you can individually register your interest on the website at: [keepbritaintidy.org](https://www.keepbritaintidy.org) which also provides information on safety and social distancing. It is strongly recommended that any children wishing to participate should be accompanied by an adult.

We have all noticed the real increase in litter around the village over the past few months and this is an ideal opportunity for us to get out and clean up as children return to school and people begin to get back in to work. We hope that as many villagers as possible will participate and we will be arranging for extra collections of waste from the Recreation Ground after the weekend of 19th/20th September. If you are unable to take part that weekend, then please place any bags of rubbish that you collect alongside your normal home rubbish collection.

Anyone wishing to gather at the Recreation Ground on Saturday 19 September at 10am will find like minded volunteers equipped with gloves, rubbish bags and high visibility vests. We hope to see as many of you as are able to come along and join in helping clean up our village. If the weather is totally unsuitable, we will slip by one day to Sunday 20 September at 10am.
