Dear Chairman,

I wrote to you recently about Shawford Station because some of your parishioners may use the train service. With this in mind, Compton and Shawford Parish Council would like to bring to your attention the timetable changes consultation that is currently being undertaken. The proposals include longer journey times for popular commuter trains and the removal of a morning service (which students might use to get to Peter Symonds).

Should you wish to comment, please use the following email address:

timetable.feedback@swrailway.com.

I should advise that South Western Trains will not respond to direct comments.

Yours faithfully,

Martin Bell
Councillor
